**\*\* COMING TO YOU FROM THE ASSYRIAN CULTURAL CENTER, BERKELEY \*\***

**OCTOBER 1977**

**EDITORS: JULIUS N. SHABBAS  
JOEL J. ELIAS**

**NEXT MEETING--NOVEMBER 13, 7:00 P.M. ....**

This is to remind the members that the General Membership Meeting will be held on the above date in the Foundation's Cultural Center. Since no further reminders will be sent, we request that you keep this date in mind and circle it on your calendar. Thank you.

**\*\* REASON FOR CHANGE IN MEETING DATE \*\***

In the September issue, we had indicated that the November meeting would convene on Saturday instead of Sunday. Because our Center has been rented out for a birthday party on November 12, it was decided to hold the meeting a day later. By so doing, we would realize a rental income of \$125. Believe it or not--we need every penny we could get to meet our renovation expenses. We hope that this change will not inconvenience you. There is also a good possibility that the hall will be rented for the same price for a wedding reception on October 30.

BEYOND THE REACH OF PROOF.**

## PROGRESS IN RENOVATION.....

1. Linoleum in kitchen is installed and it looks beautiful. It is Armstrong Designer Solarian which will not require waxing. The design is outstanding.
2. The lights for the hall and kitchen have been ordered and will be installed the week before our next General Membership Meeting.
3. Commercial type stove has been ordered and likewise will be delivered and installed before November 19.
4. The beautiful 4-foot paneling in the hall is done.
5. The stage for the band is in process of construction and will be ready soon.
6. We are looking into buying more tables and chairs, dishes, silverware, etc.

## GRAND OPENING DINNER/DANCE PARTY....

The Assyrian Foundation is happy to announce the Grand Opening of its newly renovated and beautiful Assyrian Cultural Center in Berkeley with a gala Dinner/Dance--live music party on November 19.

We hope that you will be able to join us in this happy occasion. Please circle this date on your calendar.
